# 1. MIDFIELDER

Name: Jon Weirs

Position: Attacking Midfielder (No.10)

Jersey Number: 8

Current Club: Shildon AFC.

League: Northern League Division One (Step 5)

## Summary of Their Strengths and Playing Style

- Jon Weirs is a creative, attacking-minded midfielder who operates between lines, taking on dribbles, close control, and forward-thinking decisions. He has great composure under pressure, and he seeks to advance play with ball carrying and smart movement. Jon Weirs is a transitioning attacking dynamic midfielder.
- He demonstrates:
- Good 1v1 skill and dribbling (2(1:02), 3(1:06)).
- Successful ball maintenance and support running (1(0:20), 2(1:01)).
- Control of self-possession and peaceful decision-making (2(0:23)).
- Space between lines - find and exploit (1(1:53)).

# Why He Is a Good Fit at Step 4 Level

- Jon Weirs would be a good addition to Step 4 football because of his great technical capacity, calmness with the ball in his possession, and regular contribution to the goals. His skill to hold the ball, outplay other players in a 1v1 scenario, as well as his forward-looking decisions, enable him to advance the play and facilitate attacking transitions.
- Weirs fills in major midfield loopholes. His in-possession decision-making. He is always calm when with the all, even under pressure, and makes the correct decisions (2(0:23)) and always makes effective decisions to further play, such as entering space after passing (2(1:01)).
- His work rate and support play. Weirs covers ground effectively and defends and attacks, including dropping to help build-up (1(0:53)) and strong off-ball work rate throughout the pitch (3(1:00)), as well as displays heavy pressing and working hard to gain possession (3(3:54)).
- His ball progression and creativity. Weirs distributes the ball successfully and wins players in 1v1 situations (2(1:02)) and provides precise short passing and link-up play to maintain an attack (3 -short passing sequences identified).

## Physicality

- Mobility: Plays over the pitch supporting play and moves, running on the ground swiftly (1(0:20), 3(1:00)).
- Balance: Retains composure when stressed out or in tight areas (2(0:58)).
- Aerial Ability: Aerial duels ability, not superior (I did not see enough) (1(1:55)).
- Duels: Competes in challenges and relies on technique and strength.
- Endurance: Maintains high activity levels during the match.

## Mentality & Work Rate

- Leadership: Demonstrates responsibility as team captain (Video 1).
- Work Rate: High rate pressing and off-ball effort (3(3:54)).
- Composure: Calm in possession before decision making (2(0:23)).
- Initiative: Demands the ball and looks to influence play (general play).
- Determination: Seizes opportunities and forms possibilities in challenging circumstances (3(3:57)).

## Technical Ability

- Aerial duels: Defensive aerials are not won in the most critical aerials, and there is a possibility of conceding from these areas.
- Tackling ability and timing: Needs improvement in clean and well-timed challenges.
- Concentration: Many unnecessary mistakes because of a lack of concentration in defensive play.
- Physical strength and duels: More power is needed to win the ball and overpower the opponents.
- Defensive positioning (reading the game): Requires improved reading of the game and awareness of position to avoid dangerous situations.

## Positioning & Movement

- Availability: Always presents himself to take the ball (general, video 1).
- Support Play: Enter space on passing to continue being involved (2(1:01)).
- Space Awareness: Knows how to exploit separations between lines (1(1:53)).
- Defensive Support: Drops further to help build-up (1(0:53)).
- Game Reading: Placed well to intercept as well as stop opposition attacks (2(0:56)).

# Jon Weirs Consistency

- Involvement: Particularly engaged in attacking and build-up throughout the match.
- Work Rate: Does not relax and presses a lot (3(3:54), 3(1:00))
- Performance Impact: Adds directly with goals and key actions (2(33', 40-,90 + 2'))
- Technical Level: In possession with little loss of control.
- Influence: Remains available in areas of importance and is always available to teammates.
