INVESTMENT & STRATEGIC FIT

- Fits a club philosophy that develops players from structured possession systems.
- Likely low-to-moderate transfer cost due to profile, age, and league.
- Strong candidate for talent investment or squad depth.
- Suits a possession-based system needing reliable midfield/defensive link players, and can play in roles requiring high positional discipline.
- Strong defensive fundamentals and high work rate make him coachable. Also, room to improve in attacking contribution.
- Limited final-third impact and line-breaking ability, thus needs adaptation if moving to faster-paced leagues.
